## LAST BLAST!! (of the year)

December 17, 2006

**Dear Amy,**

First, thank you all for your support. Your kind words, your donations, your enthusiasm and interest are all important to the success of this movement. It has been a big month for Two Angry Moms. Our successful appearance on Good Morning America has generated a groundswell of interest, which we hope will only grow as one friend tells another.

We have held our first private screenings as part of the editing process and we are now whittling down a long 105 minutes into a length that will leave time for discussion after viewing. We look forward to being able to contact all of you who have expressed interest in a local screening with details

for bringing the film to your neighborhood shortly.

We also launched several fundraising efforts, which we hope will bring us to the finish line with the film's production and begin to help with its distribution.

There are still some really great values left on the celebrity, sports, dining and vacation items at our online [Two Angry Moms/ Charity Buzz](#) fundraising auction. Get your bids in now for these truly unique and personal last-minute holiday gifts. There are only 24 hours (see individual lots for exact close time) until closing time!"

Look for our next update some time early next year. In the meantime, we are **wishing you all the healthiest and very best of Holidays!**
